Pickets and Police Battle as Strike Spurs By Pro-
Communist Labor Group Continues

1 FOR SECOND DAY

DEFY UNION FIAT

Rumanian Workers Go Back to Jobs Without Striking

Singapore (AP)—Pickets and riot police clashed pro-
actively today for the sev-
and day of a widespread
walkout called by a pro-
Communist labor force. Hard-
dreds of workers refused to
leave their jobs in defiance of
the strike order.

The strike, called by the left
ing the Front of Progress, People's Uprising (P. U.), was
officiafly declared legal under
the terms of a collective
agreement between the labor
and business leaders. The strikers were in a minority of
those employed in the
industrial area in the north-
kern of the city.

Police and strikers, mainly
pickets and some of the
P. U. members, clashed
along the road of a large
building

Honorary FFA Degrees Go To Twenty-Five Teachers

Twenty-five teachers of area junior and senior high schools were honored for their contributions to the American FFA organization. The second annual presentation of the degrees was held at a meeting of the Kansas City area chapter of the National American Agricultural Club. The degree is the highest the organization can bestow on active and retired teachers.

Honors were presented by Frank Taylor, Kansas City, to the following:...

Parachute Jump Will Open French Market
A parachute jump, sponsored by the Kansas City Board of Trade, will be held to open the new French Market in St. Louis on Thursday.

The market, located at the 400 block of South Grand Boulevard, was built on the former site of the Kansas City Express Company's building, which burned last year.

The market will be a center for the sale of French goods and will be open from 9 a.m. to 9 p.m. daily.

Complete Auto Service

If you were to TRAVEL IN FRANCE... you might cover 45,000 kilometers of national roads and 270,000 kilometers of departmental roads... so you'll be interested in the scale for measuring distances, fluid measures and tire pressures.

Distances

- 1 mile = 1.6 km

- 1 meter = 39.37 inches

- 1 liter = 0.264 gallons

- 1 cm = 0.394 inch

Gasoline: 1 U.S. gallon = 3.78 liters

Tire pressure: 30-35 pounds per square inch
